Take Your Lipstick and Paint Your Face Take Your Lipstick and Paint Your Face is a musical by Yoko Shimomura, Nicholas McEwen, Matt Parsons and Anthony Dean Griffey (a.k.a. Dean Griffey) with a book by McEwen and music by Shimomura. It is a parody of the Broadway musical Paint Your Wagon and also continues the satirical title from Shimomura's 2005 musical parody of the musical Oklahoma!, "Oklahoma!!".

Plot After being thrown out of the house for being too boring, the down-on-her-luck Lipsniffer has no choice but to take her own advice and get a job...sort of. She auditions for a "real" job where the boss (named "Daisy") expects her to sing to a painted canvas. In the end, Daisy gets more than she bargained for when Lipsniffer sprays her face with a can of paint and steals her clothes. In the process, Lipsniffer gets a new outfit, a new house, and a new name: Rosebud.

Characters Rosebud Lipsniffer - the down-on-her-luck Lipsniffer and the lead female protagonist. She sings the show's only song, "I'm A Pig!". Daisy - the boss of the paint factory and the main antagonist. She acts as a foil to Rosebud. Hector - Daisy's less-than-ideal husband and her assistant. He tends to stand around and be generally unhelpful. Jackson - Hector's son and Daisy's pet dog.

Name Reddit ID Score The comments Kongerman 82 8.1/10 What I really like about Elden Ring is the mythology and the nostalgia it evokes. It's a fantastic game that I highly recommend to all. -Kongerman TreasureTDOz 3 9/10 Elden Ring Is a Wonderful Adventure! -TreasureTDOz Arashi_RO 2 9/10 I really liked it but it can be hard at times. I think the genre is a bit more like a combat focused RPG with some strategy like elements. You play as an elf who starts in a battle that is going nowhere. You can use skills to summon your companion that will help you out in the battle as well. It's a roguelike combat game with a lot of strategy. -Arashi_RO Kodail_Core 2 9/10 Elden Ring is a great game but it's hard. -Kodail_Core Elden Ring 1 8/10 Elden Ring is a really good game, maybe I'll be back to it in a while. -Elden Ring Catmen 2 8/10 Elden Ring Is a Good Game But it Has Its Downfalls -Catmen tbejd 2 8/10 Elden Ring Is a Nice Game But I Don't Think You Should Play It -tbejd Boutigny 2 8/10 Gameplay/Story Good, Action/Combat Bad -Boutigny KeiichiTsun 2 8/10 I had fun with the game but it wasn't fun enough for me to want to play it again -KeiichiTsun VincentWeiber 2 8/10 Elden Ring Is a Good Game But It's Too Hard -VincentWeiber Mortimus13 2 8/10 Elden Ring Is a Good Game But It's Too Hard -Mortimus13 c4nc3ly 1 bff6bb2d33

Being a daddy to tiny 15month old, whelped in August 2011, I have an ongoing love hate relationship with this big little world I find myself thrown into at every turn. I laugh and I cry (sometimes at the same time) and it's my job to savor every moment, laugh at every mishap, and keep feeling blessed for all the things that I have. Tuesday, July 09, 2014 Before I go into an overactive rant, just remember when you're in power searching for a job - you go where your uncle works. So you get pissed and bored and wonder, "why am I here?" Then one day you get given an assignment that you're all qualified for that you should have never even been hired for, from a boss you don't like (who you do genuinely get along well with who also happens to be a staunch republican and, according to its stated policies, doesn't give a shit what anyone thinks). I'll laugh at them if they get sent out in anything other than a full uniform, just to remind them I'm king... and then I'll laugh at you. The right would love to have everything in the budget cut back, only to the point of incentivizing their hatemongers, and nearly anyone outside of their base would reject the idea of cutting back until you recognize that they don't work that way, and that there are consequences to the bad decisions you make. Be careful when you let the people at the faucet of both parties determine what's in your budget, because that was not what they're in charge for. Not even close. Sunday, July 07, 2014 I enjoyed reading a little bit about the operational plan Obama had in place for what happened in Benghazi last night, and related to that I've been away from the car the last few weeks due to problems with my motor home's generator. So there was no supply of air cooled air or gas in the car and, as I understand things, they had to bring in
